3.0 PROPOSAL FORMAT:

- 3.1 Tabbed Proposal Submittal:** The HA intends to retain the successful proposer pursuant to a "Best Value" basis, not a "Low Proposal" basis ("Best Value," in that the HA will, as detailed within the following Section 4.0, consider factors other than just cost in making the award decision). Therefore, so that the HA can properly evaluate the offers received, all proposals submitted in response to this RFP must be formatted in accordance with the sequence noted following. Each category must be separated by numbered index dividers (which number extends so that each tab can be located without opening the proposal) and labeled with the corresponding tab reference also noted below. None of the proposed services may conflict with any requirement the HA has published herein or has issued by addendum.

3.3 Additional Information Pertaining to the Pricing Items:

3.3.1 Quantities: All quantities entered by the HA herein are for calculating purposes only. As may be further detailed herein, the HA does not guarantee any minimum or maximum amount of work as a result of any award ensuing from this RFP, as the ensuing contract will be a Requirements Contract, in that the HA shall retain one contractor only and shall retain the right to order from that contractor (successful proposer), on a task order basis, any amount of services the HA requires.

3.3.2 Pertaining to the Miscellaneous Charges Items: These Pricing Items are for work that the HA may require that is not already specifically identified within Pricing.

3.3.2.1 Supervisor: The contractor's assigned skilled staff person who has responsibility to supervise the work at the HA site. This

person may, while supervising, also perform work typically assigned to the Technician. It is understood that a Supervisor position will be paid by the HA only if there are 3 or more persons working on the site at the same time; if there is less than 3 persons working at the site at the same time, then the HA will only pay for such staff at the level they are actually working (i.e. Technician).

3.3.2.2 Technician: The contractor's assigned skilled staff person who typically performs the required work.

3.3.2.3 Assumption: It shall be the HA's assumption that the successful proposer has based his/her proposed pricing for Pricing Items No. 1-25 upon the proposed hourly rates submitted by the proposer for Pricing Items No. 28-29 (and by submitting a proposal in response to this RFP, the successful proposer automatically agrees that such is accurate). Accordingly, the HA may use such assumption, if necessary, to do any lump-sum proposal breakdown calculations during the term of the ensuing contract.

3.3.3 Overtime: Pursuant to the Contract Work Hours and Safety Standards Act, overtime shall be not less than time and one half for hours worked in excess of 40 hours per week. The HA shall consider regular-time to be Monday-Friday (excluding holidays), 8:00am - 4:00pm. Accordingly, the HA will pay a rate of 1.5 of the listed hourly rates within Pricing Items No. 26-27 (or any increased rate that increased per Section 3.3.4 herein) for any work the HA requires the successful proposer to work specifically during non-regular-time hours (however, the HA shall NOT be responsible to pay the successful proposer for any work that the successful proposer CHOOSES to work during non-regular-time hours).

3.4 Proposal Submission: All pricing must be entered where provided on the Cost Form. All "hard copy" proposals must be submitted and time-stamped received in the designated HA office by no later than the submittal deadline stated herein (or within any ensuing addendum). A total of 1 original signature copy (marked "ORIGINAL") and 4 exact copies (each of the 4 separate proposal submittals shall have a cover and extending tabs) of the "hard copy" proposal submittal, shall be placed unfolded in a sealed package and addressed to:

Pawtucket Housing Authority
Attention: Patrick Hall
Purchasing Manager
483 Weeden Street
Pawtucket, RI 02860

The package exterior must clearly denote the above noted RFP number and must have the proposer's name and return address. Proposals received after the published deadline will not be accepted.

- 3.4.1 Submission Conditions:** DO NOT FOLD OR MAKE ANY ADDITIONAL MARKS, NOTATIONS OR REQUIREMENTS ON THE DOCUMENTS TO BE SUBMITTED! Proposers are not allowed to change any requirements or forms contained herein, either by making or entering onto these documents or the documents submitted any revisions or additions; and if any such additional marks, notations or requirements are entered on any of the documents that are submitted to the HA by the proposer, such may invalidate that proposal. If, after accepting such a proposal, the HA decides that any such entry has not changed the intent of the proposal that the HA intended to receive, the HA may accept the proposal and the proposal shall be considered by the HA as if those additional marks, notations or requirements were not entered on such. By accessing the www.pawthousing.org Internet System and downloading these documents, each prospective proposer that does so is thereby agreeing to confirm all notices that the HA delivers to him/her as instructed, and by submitting a proposal, the proposer is thereby agreeing to abide by all terms and conditions published herein and by addendum pertaining to this RFP.
- 3.4.1 Submission Responsibilities:** It shall be the responsibility of each proposer to be aware of and to abide by all dates, times, conditions, requirements and specifications set forth within all applicable documents issued by the HA, including the RFP document, the documents listed within the following Section 3.7, and any addenda and required attachments submitted by the proposer. By virtue of completing, signing and submitting the completed documents, the proposer is stating his/her agreement to comply with all conditions and requirements set forth within those documents. Written notice from the proposer not authorized in writing by the CO to exclude any of the HA requirements contained within the documents may cause that proposer to not be considered for award.
- 3.5 Proposer's Responsibilities—Contact with the HA:** It is the responsibility of the proposer to address all communication and correspondence pertaining to this RFP process to the CO only. Proposers must not make inquiry or communicate with any other HA staff member or official (including members of the Board of Commissioners) pertaining to this RFP. Failure to abide by this requirement may be cause for the HA to not consider a proposal submittal received from any proposer who may has not abided by this directive.
- 3.5.1 Addendums:** All questions and requests for information must be addressed in writing to the CO. The CO will respond to all such inquiries in writing by addendum to all prospective proposers (i.e. firms or individuals that have obtained the RFP Documents). During the RFP solicitation process, the CO will NOT conduct any *ex parte* (a substantive conversation—"substantive" meaning, when decisions pertaining to the RFP are made—between the HA and a prospective proposer when other prospective proposers are not present) conversations that may give one prospective proposer an advantage over other prospective proposers. This does not mean that prospective proposers may not call the CO—it simply means that, other than making replies to direct the prospective proposer where his/her answer has already been issued within the solicitation documents, the CO may not respond to the prospective

proposer's inquiries but will direct him/her to submit such inquiry in writing so that the CO may more fairly respond to all prospective proposers in writing by addendum.

- 3.6 Recap of Attachments:** It is the responsibility of each proposer to verify that he/she has downloaded the following attachments pertaining to this RFP, which are hereby by reference included as a part of this RFP:

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

This form includes clauses required by OMB's common rule on bidding/offering procedures, implemented by HUD in 24 CFR 85.36, and those requirements set forth in Executive Order 11625 for small, minority, women-owned businesses, and certifications for independent price determination, and conflict of interest. The form is required for nonconstruction contracts awarded by Housing Agencies (HAs). The form is used by bidders/offers to certify to the HA's Contracting Officer for contract compliance. If the form were not used, HAs would be unable to enforce their contracts. Responses to the collection of information are required to obtain a benefit or to retain a benefit. The information requested does not lend itself to confidentiality.

(c) Any misrepresentation by the bidder/offeror shall give the PHA the right to (1) terminate the resultant contract; (2) at its discretion, to deduct from contract payments the amount of any commission, percentage, brokerage, or other contingent fee; or (3) take other remedy pursuant to the contract.

Instructions to Offerors Non-Construction

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

- 03291 -

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

If referred to within the text of such, these SIPC shall be applicable to all Requests for Proposals (RFP) solicitations that the Woonsocket Housing Authority (hereinafter, "the Agency") conducts and shall be applicable to any contract that the Agency awards to or signs with any firm, agency or individual pursuant to that RFP. A copy of these SIPC shall be made available to any actual or prospective proposer, or Contractor who does business with or intends to do business with the Agency.

1.1.1 HUD Forms. Unless otherwise specified within the RFP or contract documents, in the event that any provision in any document listed herein conflicts with any provision within these SIPC, the provision in the RFP or contract document shall govern. Further, in the case of any attached HUD forms (more specifically: HUD-5369-C (8/93); HUD-5369-B (8/93); and HUD-5370-C (01/2014), Section I and/or Section II), the information within such HUD form(s) shall govern any other information issued, especially that issued within any Agency-created forms that are issued as a part of this solicitation.

1.2 Definitions (pertaining to all RFP documents issued by the Agency pertaining to this RFP, including the attachments and the ensuing contract):

1.2.2 "Contract" refers to the fully executed written agreement that ensues from the RFP. Whereas all RFP documents are included, by reference, as a part of the ensuing contract, when "contract" is referred to within the RFP Document, such is referring to both the RFP documents and the ensuing contract document.

1.2.3 "Contracting Officer (CO)" - When named within an RFP document shall refer to either the ED or the person, he/she has delegated such responsibilities to.

1.2.4 "Contractor" and the term "successful proposer" may be used interchangeably.

1.2.5 "Days" unless otherwise directed, shall refer to calendar days.

1.2.6 "ED" is the Agency Executive Director.

1.2.7 "Herein" shall refer to all documents issued pursuant to the noted RFP, including the RFP documents and the attachments.

- 1.2.10 "Offeror" or "Offerors" are the proposer or proposers.
- 1.2.11 "Parties" - When "the parties," "both parties," or "either party" is stated within the RFP documents or the contract, such refers to the Agency and the successful proposer(s).

- 1.2.14 "Prospective Proposer" or "Proposer" - A prospective proposer is a firm or individual who has been notified of the RFP solicitation and/or who has requested and/or received the RFP documents and is considering responding with a proposal; a proposer is a firm or individual who has submitted a proposal in response to the RFP. All terms and conditions shall apply equally to all prospective proposers as well as proposers, though prospective proposers may not, after the deadline set for receiving proposals, receive further notices pertaining to that RFP—meaning, certain notices (such as the Notice of Results of Evaluation) are typically only delivered to proposers and not to all prospective proposers.

(RFP Attachment F)**

1.2.17 “Solicitation” or “Competitive Solicitation” is the RFP process detailed herein.

2.0 CONDITIONS TO PROPOSE.

2.1 Pre-qualification of Proposers. Prospective proposers will not be required to pre-qualify in order to submit a proposal. However, all proposers will be required to submit adequate information showing that the proposer is qualified to perform the required work (i.e., Profile of Firm Form and required resumes). Failure by the prospective proposer to provide the requested information may, at the Agency’s discretion, eliminate that proposer from consideration, provided that all proposers were required to submit the same information (in the case of a successful proposer(s), these requirements shall also apply in the context of the successful proposer or proposers).

2.2 RFP Forms, Documents, Specifications and Drawings.

2.2.1 It shall be each prospective proposer’s responsibility to, prior to submitting a proposal in response to the RFP, examine carefully and as may be required, properly complete and submit all documents issued pursuant to this RFP.

2.2.2 Unless otherwise instructed, specifications and drawings (if provided) do not purport to show all of the exact details of the work. They are intended to illustrate the character and extent of the performance desired under the proposed contract and may be supplemented or revised from time to time.

2.2.3 The Agency shall reserve the right to, prior to award, revise, change, alter or amend any of the instructions, terms, conditions, and/or specifications identified within the RFP documents issued, within any attachment or drawing, or within any addenda issued; such notice shall be delivered in writing to each prospective and/or actual proposer. Such changes that are issued before the deadline for receipt of proposals shall be binding upon all prospective proposers. Such changes that are issued after the receipt of proposals, but prior to award shall be binding upon all parties that have submitted proposals; however, such parties shall be allowed to reject such changes by, within 5 days of receipt of such written notice, withdrawing his/her proposal. Such withdrawal must be delivered, in writing, to the CO within the 5-day deadline period.

2.3 Proposal Preparation, Submission and Receipt by the Agency.

2.3.1 Required Forms. All required forms furnished by the Agency as a part of the RFP document issued shall, as instructed, be fully completed and submitted by the proposer. Such forms may be completed in a legible hand-written fashion or may be downloaded and completed on a computer. If, during the download, a form becomes changed in any

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

fashion, the proposer must "edit" the form back to its original form (for example, signature lines must appear on the page the line was originally intended to be on).

- 2.3.2 Manner of Submission.** The proposal submittal shall be submitted in the manner detailed within the RFP document. Failure to submit the proposal in the manner specified may result in a premature opening of, post-opening of, or failure to open and consider that proposal, and may, at the discretion of the CO, eliminate that proposer from consideration for award.
- 2.3.3 Time for Receiving Proposals.** Proposals received prior to the time set as the deadline for the receipt by the Agency of the proposal submittal shall be securely kept, unopened by the Agency. The CO, whose duty it is to open such proposals, will decide when the specified time has arrived. No proposal received after the designated deadline shall be considered, except as detailed within Section 6 of Form HUD-5369-B (8/93), *Late Submissions, Modifications and Withdrawal of Offers*.
- 2.3.3.1** Proposers are cautioned that any proposal submittal that may be time-stamped as being received by the Agency after the exact time set as the deadline for the receiving of proposals shall be returned unopened to the proposer. Any such proposals inadvertently opened shall not be considered but shall be ruled to be invalid. No responsibility will attach to the Agency or any official or employee thereof, for the pre-opening of, or the failure to open a proposal not properly addressed and identified.
- 2.3.4 No Public Opening of Proposals.** Pursuant to the competitive proposals or RFP process, proposals are not publicly opened, but are held secure until the submittal deadline has passed. The proposals are then opened in private by the CO (or his/her designee) and are, pursuant to the evaluation plan, examined for minimal responsiveness (i.e., minimum compliance with the requirements of the RFP). Persons other than Agency staff involved in this process are not allowed to be present during the opening, nor may they inspect the proposals until after award has been completed.
- 2.3.5 Withdrawal of Proposals.** Proposals may be withdrawn as detailed within Section 6(h) of Form HUD-5369-B (8/93), *Late Submissions, Modifications and Withdrawal of Offers*. Negligence on the part of the proposer in preparing his/her proposal confers no right of withdrawal or modification of his/her proposal after such proposal has been received and opened.
- 2.3.6 Conflicting Conditions.** Any provisions detailed within any of the RFP documents which may be in conflict or inconsistent with any of the paragraphs in any of the other RFP documents, including attachments,

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

shall be void to the extent of any such conflict or inconsistency. Further, as stated within the preceding Section 1.1.1 of this SIPC, unless otherwise specified within the RFP or contract documents, in the event that any provision in any document listed herein conflicts with any provision within this SIPC, the provision in the RFP or contract document shall govern.

- 2.3.7 Interpretations.** No official oral interpretation can be made to any proposer as to the meaning of any instruction, condition, specifications drawing (if any), or any other document issued pertaining to this RFP. Every request for an official interpretation shall be made by the prospective proposer, in writing, pursuant to the schedule set within the RFP document issued and as directed by the Agency. Official interpretations will be issued in the form of addenda, which will be delivered to each proposer; but it shall be the prospective proposer's responsibility to make inquiry as to addenda issued. All such addenda shall become a part of the RFP documents and the proposed contract with the successful proposer, and all proposers shall be bound by such addenda, whether or not received by the prospective or successful proposer(s).

2.4 Exceptions to Specifications.

- 2.4.1** A proposer may take exception to any of the proposal documents, or any part of the information contained therein, by submitting, in writing to the CO, at least 10 days prior to the proposal deadline, a complete and specific explanation as to what he/she is taking exception to. Proposed alternate documents or information must also be included. A response by the Agency will be issued in writing within 5 days of receipt of such exception request. The Agency reserves the right to agree with the prospective proposer and issue a revision to the applicable RFP requirements or may reject the prospective proposer's request.
- 2.4.2** When taking exception, prospective proposers must propose services that meet the requirements of the RFP documents. Exceptions to the specification and/or approved "equal" requests may be discussed at the scheduled pre-proposal conference (if scheduled). All verbal instructions issued by the Agency officers not already listed within the RFP documents shall only become official when issued as addenda or as a written answer issued pursuant to receipt of a written question.

2.5 Lump Sum Cost Breakdown (LSCB).

- 2.5.1** The Agency reserves the right to, at any time, request and receive from any or all proposers a LSCB of any or all of the costs proposed. The proposal documents constitute an outline of the work to be completed by the proposer. These documents are intended to include all major items, and the lump sum cost breakdown computed therefrom will be the maximum compensation for all work and materials whatsoever furnished by the proposer in order to comply with the proposal documents in their

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

present form, whether or not indicated in the approximate quantities or pertaining to the items of work as listed.

2.5.1.1 The purpose of this LSCB will serve the Agency in two distinct areas:

2.5.1.1.1 Prior to award of Proposals. The Agency may request a LSCB for any or all items reflected within the RFP document as “lump sum” for the purpose of determining an unbalanced cost proposal. The CO, using acceptable methods dictated by the industry, shall conduct the analysis.

2.5.1.1.2 After Award. The Agency may request a LSCB for any or all items reflected within the RFP document as “lump sum” for the purpose of making partial payments to the successful proposer.

2.5.1.1.3 Increase/Decrease. Under no circumstances may any cost item reflected as “lump sum” be increased and/or decreased as a result of the LSCB analysis.

3.0 PROPOSAL EVALUATION.

3.1 Proposal Opening Results. It is understood by all proposers/prospective proposers that the proposals received are not publicly opened and the results will typically not be a matter of public record until the Agency has concluded all evaluations, has chosen a final top-rated proposer, has completed the award and is ready to issue such results. When the Agency issues such notice, the Agency will inform all proposers as to each proposer’s placement as a result of the evaluation (i.e., 1st, 2nd, 3rd, etc.), the total points each proposer was awarded as a result of the evaluation and the proposed costs submitted by each proposer.

3.1.1 All proposal documents submitted by the proposers are not necessarily a matter of public record and as a matter of normal course, the proposals submitted by each proposer will not, until after award has been completed, be available to be viewed by any interested parties except as approved by the Agency Legal Counsel (i.e. a proposer will not, prior to completion of award, be allowed to challenge an apparent top-rated proposer by inspecting the proposal that the apparent top-rated proposer submitted). The Agency shall, however, upon request, verify that the proposal documents submitted are/were acceptable.

3.2 Award of Proposal(s). The successful proposer shall be determined by the top-rated responsive and responsible proposer as determined by the evaluation process

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

detailed within the RFP document issued, provided his/her proposal is reasonable, he/she is able to deliver the specified items in a timely manner and it is, in the opinion of the Agency, to the best interests of the Agency to accept the proposal. All proposers will be notified in a timely manner of the results of the evaluation after award has been completed.

3.3 Rejection of Proposals.

3.3.1 The Agency reserves the right, at any time during the proposal process, to reject any or all proposals received. In the case of rejection of all proposals, the Agency reserves the right to advertise for new proposals or to proceed to do the work otherwise, if in the judgment of the Agency, the best interest of the Agency will be promoted.

3.3.2 Prospective proposers acknowledge by downloading and receiving the RFP documents and/or by submitting a proposal that the submission of a proposal to the Agency is not a right by which to be awarded that proposal, but merely an offer by the prospective proposer to perform the requirements of the RFP documents in the event the Agency decides to consider an award to that proposer.

3.4 Cancellation of Award. The Agency reserves the right to, without any liability, cancel the award of any proposal(s) at any time before the execution of the contract documents by all parties.

3.5 Mistake in Proposal Submitted.

3.5.1 A request for withdrawal of a proposal due to a purported error need not be considered by the Agency unless the same is filed in writing by the proposer within 48 hours after the proposal deadline (proposers may of their own volition withdraw a proposal prior to the submittal deadline). Any such request shall contain a full explanation of any purported error and shall, if requested by the Agency, be supported by the original calculations on which the proposal was computed, together with a certification and notarization thereon that such computation is the original and prepared by the proposer or his/her agent, who must be identified on the notarized form. The foregoing shall not be construed that such withdrawal will be permitted, as the Agency retains the right to accept or reject any proposal withdrawal for a mistake.

3.5.2 Unless otherwise prohibited within the RFP documents, a mistake in the cost unit pricing that does not affect the total cost sum submitted may, at the Agency's discretion, be corrected by submitting a corrected cost form, together with a complete explanation in writing, of how the mistake occurred, to the CO, for his/her review. This mistake must be corrected before the issuance of contract documents.

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

- 3.6 Irregular Proposal Submittal.** A proposal shall be considered irregular for any one of the following reasons, any one or more of which may, at the Agency's discretion, be cause for rejection:
- 3.6.1** If the forms furnished by the Agency are not used or are altered or if the proposed costs are not submitted as required and where provided (especially within the noted Internet System).
 - 3.6.2** If all requested completed attachments do not accompany the proposal submitted.
 - 3.6.3** If there are unauthorized additions, conditional or alternate proposals, or irregularities of any kind which may tend to make the proposal incomplete, indefinite or ambiguous as to its meaning or give the proposer submitting the same a competitive advantage over other proposers.
 - 3.6.4** If the proposer adds any provisions reserving the right to accept or reject any award or to enter into a contract pursuant to an award.
 - 3.6.5** If the individual Pricing Items submitted by a specific proposer are unbalanced in the sense that the listed price of any cost item departs by more than 25% from the Agency's cost estimate for that item.
- 3.7 Disqualification of Proposers.** Any one or more of the following shall be considered as sufficient for the disqualification of a proposer and the rejection of his/her proposal:
- 3.7.1** Evidence of collusion among prospective proposers. Participants in such collusion will receive no recognition as proposers for any future work of the Agency until such participant shall have been reinstated as a qualified proposer. The names of all participants in such collusion shall be reported to HUD and any other inquiring governmental agency.
 - 3.7.2** More than one proposal for the same work from an individual, firm, or corporation under the same or different name(s), unless such was specifically allowed by the Agency within the proposal documents issued, including by addendum.
 - 3.7.3** Lack of competency, lack of experience and/or lack of adequate machinery, plant and/or other resources.
 - 3.7.4** Documented unsatisfactory performance record as shown by past work for the Agency or with any other local, State or Federal agency, judged from the standpoint of workmanship and progress.
 - 3.7.5** Incomplete work, which in the judgment of the Agency, might hinder or prevent prompt completion of additional work, if awarded.

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

- 3.7.6 Failure to pay or satisfactorily settle all bills due on former contracts still outstanding at the time of letting.
- 3.7.7 Failure to comply with any qualification requirement of the Agency.
- 3.7.8 Failure to list, if required, all subcontractors (if subcontractors are allowed by the Agency) who will be employed by the successful proposer(s) to complete the work of the proposed contract.
- 3.7.9 As required by the RFP documents, failure of the successful proposer to be properly licensed by the State of Rhode Island and/or to be insured by a general liability and/or worker's compensation policy.
- 3.7.10 Any legal reason to be determined, in good faith, to be in the best interests of the Agency.

3.8 Burden of Proof. If requested by the Agency, it shall be the responsibility of the proposer(s) to furnish the Agency with sufficient data or physical samples, within a specified time, so that the Agency may determine if the goods or services offered conform to the Specifications.

4.0 Right to Protest.

4.1 Rights. Any prospective or actual proposer, offeror, or Contractor who is allegedly aggrieved in connection with the solicitation of a proposal or award of a contract, shall have the right to protest. An alleged aggrieved protestant claiming this right is hereby informed that these regulations do not provide for administrative appeal as a matter of right for that alleged aggrieved protestant.

4.1.1 An alleged aggrieved "protestant" is a prospective or actual proposer who feels that he/she has been treated inequitably by the Agency and wishes the Agency to correct the alleged inequitable condition or situation. To be eligible to file a protest with the Agency pertaining to an RFP or contract, the alleged aggrieved protestant must have been involved in the RFP process in some manner as a prospective proposer (i.e., registered and received the RFP documents) when the alleged situation occurred. The Agency has no obligation to consider a protest filed by any party that does not meet these criteria.

4.2 Administrative Powers. It is totally within the administrative powers of the ED to grant or deny any requests for administrative appeal. If, in the opinion of the ED, the alleged aggrieved protestant merits an administrative review, the ED shall direct that alleged aggrieved protestant to submit additional data.

4.3 Procedure to Protest. An alleged aggrieved protestant shall comply with the following protest procedures, and failure to comply in the manner prescribed shall automatically relieve the Agency from accepting or considering that protest:

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

- 4.3.1 Protest Document.** The alleged aggrieved protestant must file, in writing, to the CO the exact reason for the protest, attaching any supportive data. The protestant must state within the written protest document specifically (not by inference) what action by the Agency or condition is being protested as inequitable, making, where appropriate specific reference to the RFP documents issued. The protest document must also state the corrective action requested. Failure by the alleged aggrieved protestant to fully submit such information shall relieve the Agency from any responsibility to consider the protest and take any corrective action.
- 4.3.2 Deadlines.** The written instrument containing the reason for the protest must be received by the CO within 10 days after the occurrence of any of the following:
- 4.3.2.1** The deadline for receiving proposals.
 - 4.3.2.2** Receipt of notification of the results of the evaluation or the award; or
 - 4.3.2.3** The alleged aggrieved protestant knows or should have known the facts.
- 4.3.3 Time Limit.** In any case, protests shall be filed no more than 10 days after any of the above (unless the occurrence being protested occurred in its entirety after the proposal deadline). Protests received after these dates shall not be considered.
- 4.3.4 CO Review/Issue Opinion.** The CO shall review the written protest and supportive data, if any. He/she shall, within 10 days after receipt of the written protest, issue a written opinion and decision. This document shall state the reasons for the action taken as well as inform the alleged aggrieved protestant of the right of further administrative review. A copy of this written opinion and decision shall be forwarded to the ED.
- 4.3.5 Administrative Appeal.** If the alleged aggrieved protestant does not agree with the written opinion and decision issued by the CO, the alleged aggrieved protestant may, after receipt of the written opinion and decision issued by the CO request an administrative appeal hearing be granted (such request must be delivered in writing to the CO within 5 days of receipt of the written opinion and decision; failure to do so within such 5 days shall relieve the Agency of any responsibility to consider such request). The following procedures must be complied with in the manner prescribed; failure by the alleged aggrieved protestant to comply shall automatically relieve the Agency from accepting or acting on that request for administrative hearing:
- 4.3.5.1** The alleged aggrieved protestant must file, in writing, his/her request for an administrative hearing, to the ED,

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

within 5 days of receipt of the written opinion and decision and failure to do so within such 5 days shall relieve the Agency of any responsibility to consider such request.

4.3.5.2 The request for an administrative appeal hearing must contain the specific reasons for the appeal and all supporting data for those reasons.

4.3.5.3 It shall be within the administrative powers of the ED to, after review of the request submitted, grant or deny any request for administrative appeal.

4.3.5.4 If the ED, after complete review of the alleged aggrieved protestant's written request and supporting data, decides that the request does not merit further consideration, he/she shall render his/her decision in writing to the alleged aggrieved protestant. A decision rendered under this paragraph shall be made within 10 days after the receipt of the alleged aggrieved protestant's request for an administrative hearing. This decision shall be final without further administrative recourse.

4.3.5.5 If the ED, after review of the alleged aggrieved protestant's written request, decides that the request merits further consideration, he/she shall forward the protestant's written request, along with a cover letter explaining why it merits further consideration and with a recap of all proposals submitted and a copy of the original written protest, to the Agency Legal Counsel for consideration. The Agency Legal Counsel shall issue to the alleged aggrieved protestant a decision, in writing, within 10 days of his/her receipt of such documents.

4.3.5.5 Such written decision delivered to the alleged aggrieved protestant shall exhaust the Agency internal protest and administrative appeal process available to the alleged aggrieved protestant.

5.0 Disputed Billings (Charges).

5.1 Procedures. In addition to the procedures detailed within Clause No. 7 of Contract Appendix No. 1, form HUD-5370-C (01/2014), *General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work)*, in the event that the Agency disputes any portion of its billing(s), the Agency shall pay the undisputed portion of such billing and initiate the dispute-resolving procedures, as follows:

5.1.1 The Agency's representative shall, within 10 days after the Agency's receipt of such billing, formally notify the Contractor's representative of

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

all particulars pertaining to the dispute, and request that he/she investigate and respond to this issue.

- 5.1.2 If such dispute cannot be resolved by the Contractor's response, within 10 days after such notification is given, the CO and the Contractor's representative shall meet to discuss the matter and attempt to arrive at a resolution.
- 5.1.3 If the CO and the Contractor's representative are unable to resolve the dispute through such discussion within 10 days, the Agency shall, within 10 days thereafter, either:
 - 5.1.3.1 Pay the disputed charges and reserve the right to submit the matter to the appropriate District Court in the State of Rhode Island.
 - 5.1.3.2 Not pay the disputed charge and submit the matter to the appropriate district court in the State of Rhode Island.
 - 5.1.3.3 Not pay the disputed charge and allow the Contractor to submit the matter either to the appropriate District Court in the State of Rhode Island.
- 5.1.4 The decision from arbitration will be binding upon both parties. If the decision is adverse to the Agency, the Agency shall pay the Agency's receipt of the decision. If the decision is in favor of the Agency, the Contractor will either:
 - 5.1.4.1 Clear the amount which is ordered from the Agency account; or
 - 5.1.4.2 Repay to the Agency the amount ordered.
 - 5.1.4.3 Either option shall be completed within 10 days after the Contractor's receipt of the arbitrator's decision.

6.0 Additional Considerations.

6.1 Right of Joinder or Piggyback.

- 6.1.1 Any political subdivision within the State of Rhode Island (or any other State) may be granted the privilege of joining the awarded contract, only at the option of the successful proposer. If the successful proposer so grants such a privilege, the terms and conditions of the RFP documents, including the ensuing contract, may be passed on to the joining political subdivision by the successful proposer.
- 6.1.2 The successful proposer shall retain the unilateral right to allow or disallow any political subdivision the privilege of joining the awarded

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

contract. In the event the successful proposer allows another political subdivision to join the Agency contract, it is expressly understood that the Agency shall in no way be liable for the joining political subdivision obligations to the successful proposer in any manner whatsoever.

- 6.2 Non-Escalation.** Unless otherwise specified within the RFP documents, the unit prices reflected on the contract shall remain firm with no provision for price increases during the term of the contract.
- 6.3 Funding Restrictions and Order Quantities.** The Agency reserves the right to reduce or increase estimated or actual quantities in whatever amount necessary without prejudice or liability to the Agency, if:
- 6.3.1** Funding is not available.
- 6.3.2** Legal restrictions are placed upon the expenditure of monies for this category of service or supplies: or,
- 6.3.3** The Agency's requirements in good faith change after award of the contract.
- 6.4 Required Permits.** Unless otherwise stated in the RFP documents, all local, State or Federal permits which may be required to provide the services ensuing from award of this RFP, whether or not they are known to either the Agency or the proposers at the time of the proposal submittal deadline or the award, shall be the sole responsibility of the successful proposer and any costs submitted by the proposer shall reflect all costs required by the successful proposer to procure and provide such necessary permits.
- 6.5 Taxes.** All persons doing business with the Agency are hereby made aware that the Agency is exempt from paying Rhode Island State Sales and Use Taxes and Federal Excise Taxes. A letter of Tax Exemption will be provided upon request.
- 6.6 Government Standards.** It is the responsibility of the prospective proposer to ensure that all items and services proposed conform to all local, State and Federal laws concerning safety (OSHA and NOSHA) and environmental control (EPA and any County Pollution Regulations for the jurisdictions that the Agency has housing within) and any other enacted ordinance, code, law or regulation. The successful proposer shall be responsible for all costs incurred for compliance with any such possible ordinance, code, law or regulation. No time extensions shall be granted, or financial consideration given to the successful proposer for time or monies lost due to violations of any such ordinance, code, law or regulations that may occur.
- 6.7 Freight on Bill and Delivery.** All costs submitted by the successful proposer shall reflect the cost of delivering the proposed items and/or services to the location(s) specified within the RFP documents or within the contract.
- 6.7.1** The successful proposer agrees to deliver to the designated location(s) on or before the date as specified in the finalized contract. Failure to deliver

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

on or before the specified date constitutes an event of default by the successful proposer. Upon default, the successful proposer agrees that the Agency may, at its option, rescind the finalized contract under the default clause herein and seek compensatory damages as provided by law.

- 6.8 Communication.** If during the period of the contract, it is necessary that the Agency place toll or long distance telephone calls or telegrams in connection therewith (for complaints, adjustments, shortages, failure to deliver, etc.), it is understood that the successful proposer will bear the charge or expense for all such calls and/or telegrams.
- 6.9 Work on Agency Property.** If the successful proposer's work under the contract involves operations by the successful proposer on Agency premises, the successful proposer shall take all necessary precautions to prevent the occurrence of any injury to persons or property during the progress of such work and, except to the extent that any such injury is caused solely and directly by the Agency's negligence, shall indemnify the Agency, and their officers, agents, servants and employees against all loss which may result in any way from any act or omission of the successful proposer, its agents, employees, or subcontractors.
- 6.10 Estimated Quantities.** Unless otherwise stated within the RFP documents, the quantities reflected within the RFP documents, to the best of the Agency's knowledge, reflect projected consumption data. These quantities are not meant to infer or imply actual consumption figures or quantities that will be purchased by the Agency under the finalized contract; but, pursuant to all RFP documents, these quantities will be used as calculation figures to determine the successful proposer.
- 6.11 Warranty.**
- 6.11.1** The services provided under the contract shall conform to all information contained within the RFP documents as well as applicable Industry Published Technical Specifications, and if one of the above-mentioned Specifications contains more stringent requirements than the other, the more stringent requirements shall apply.
- 6.11.1** The liability of the successful proposer to the Agency (except as to title) arising out of the furnishing of the services or of its use under the terms of the contract shall not exceed the correcting of the defect(s) in the services as provided under the contract, and upon expiration of the warranty period all such liability shall terminate except under the warranty for merchantability and the warranty of fitness for a particular purpose.
- 6.12 Official, Agent and Employees of the Agency Not Personally Liable.** It is agreed by and between the parties hereto that in no event shall any official, officer, employee, or agent of the Agency in any way be personally liable or responsible for any covenant or agreement herein contained, whether either expressed or implied,

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

nor for any statement, representation or warranty made herein or in any connection with this agreement.

- 6.13 Subcontractors.** Unless otherwise stated within the RFP documents, the successful proposer may not use any subcontractors to accomplish any portion of the services described within the RFP documents or the contract without the prior written permission of the CO.
- 6.14 Salaries and Expenses Relating to the Contractor's Employees.** Unless otherwise stated within the RFP documents, the successful proposer shall pay all salaries and expenses of, and all Federal, Social Security taxes, Federal and State Unemployment taxes, and any similar taxes relating to its employees used in the performance of the contract. The successful proposer further agrees to comply with all Federal, State and local wage and hour laws and all licensing laws applicable to its employees or other personnel furnished under this agreement.
- 6.15 Attorney's Fees.** In the event that litigation is commenced by one party hereto against the other in connection with the enforcement of any provision of this agreement, the prevailing party shall be paid by the losing party all court costs and other expenses of such litigation, including attorneys' fees, in a reasonable amount, to be determined by the court. The amount so allowed as attorneys' fees shall be taxed to the losing party as costs of the suit, unless prohibited by law.
- 6.16 Independent Contractor.** Unless otherwise stated within the RFP documents or the contract, the successful proposer is an independent Contractor. Nothing herein shall create any association, agency, partnership or joint venture between the parties hereto and neither shall have any authority to bind the other in any way.
- 6.17 Severability.** If any provision of this agreement or any portion or provision hereof applicable to any particular situation or circumstance is held valid, the remainder of this agreement or the remainder of such provision (as the case may be), and the application thereof to other situations or circumstances shall not be affected thereby.
- 6.18 Waiver of Breach.** A waiver of either party of any terms or condition of this agreement in any instance shall not be deemed or construed as a waiver of such term or condition for the future, or of any subsequent breach thereof. All remedies, rights, undertakings, obligations, and agreements contained in this agreement shall be cumulative and none of them shall be in limitation of any other remedy, right, obligation or agreement of either party.
- 6.19 Time of the Essence.** Time is of the essence under this agreement as to each provision in which time of performance is a factor.
- 6.20 Limitation of Liability.** In no event shall the Agency be liable to the successful proposer for any indirect, incidental, consequential or exemplary damages.

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

6.21 Indemnity.

6.21.1 The successful proposer shall protect, indemnify and hold the Agency, its officers, employees, agents, consulting engineers and other retained consultants harmless from and against any and all claims, damages, losses, suits, actions, decrees, judgments, attorney's fees, court costs and other expenses of any kind or character which the Agency, its officers, employees, agents, consulting engineers or other retained consultants may suffer, or which may be sought against, recovered from or obtainable against the Agency, its officers, employees, agents, consulting engineers or other retained consultants such as:

6.21.1.1 As a result of, or by reason of, or arising out of, or on account of, or in consequence of any act or failure to act on the part of the successful proposer, its subcontractors or agents, or anyone directly or indirectly employed by any subcontractor or agent, in the fulfillment or performance of the terms, conditions or covenants that are contained in this contract or agreement, regardless of whether or not the occurrence which gave rise to such claim, damage, loss, suit, action, judgment or expense was caused, in part, by any party indemnified hereunder; or

6.21.1.2 As a result of, or by reason of, or arising out of, or on account of, or in consequence of, any neglect in safeguarding the work; or

6.21.1.3 Through the use of unacceptable materials or products, or both, which may be defective or manufactured, designed or installed so as to give rise to a claim; or

6.21.1.4 Because of any claim or amount recovered under the "Rhode Island Industrial Insurance Act", or any other law, ordinance, or decree, which claim or recovery arose out of or is attributable to any act or failure to act on the part of the successful proposer in the fulfillment or performance of the terms, conditions and covenants that are contained in this contract. Any money due by the successful proposer under and by virtue of this contract which is considered necessary by the Agency for such purpose, may be retained by the Agency for its protection; or in case no money is due, its surety may be held until all such claims, damages, losses, suits, actions, decrees, judgments, attorney's fees and court costs and other expenses of any kind or character as aforesaid shall have been settled and suitable evidence to that effect furnished to the Agency provided, however, that money due the successful proposer will not be withheld when the successful proposer produces

**Supplemental Instructions to Proposers & Contractors (SIPC)
(RFP Attachment F)**

satisfactory evidence that it is adequately protected by public liability and property damage insurance, if required.

- 6.21.2** In this connection, it is expressly agreed that the successful proposer shall, at its own expense, defend the Agency, its officers, employees, agents, consulting engineers and other retained consultants, against any and all claims, suits or actions which may be brought against them, or any of them, as a result of, or by reason of, or arising out of, or on account of, or in consequence of any act or failure to act the consequences of which the successful proposer has indemnified the Agency, its officers, employees, agents, consulting engineers and other retained consultants against, and if the successful proposer shall fail to do so, the Agency shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs of such defense to the successful proposer including attorney's fees and court costs; provided, however, that if the forum in which such claim suit or action is heard determines that the occurrence that gave rise to the same was caused, in whole or in part, by any party who is indemnified hereunder, the Agency shall reimburse the successful proposer for all, or the indemnified party's proportionate share, as the case may be, of the costs of such defense.

If the Contractor shall fail to do so, the HA shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs of such defense to the Contractor including attorney's fees and court costs.
- 11.19.3** Any money due to the Contractor under and by virtue of this contract, which the HA believes must be withheld from the Contractor to protect the HA, may be retained by the HA so long as it is reasonably necessary to ensure the HA's protection; or in case no money is due, its surety may be held until all applicable claims have been settled and suitable evidence to that effect furnished to the HA provided, however, neither the Corporation's payments shall not be withheld, and its surety shall be released, if the Contractor is able to demonstrate that it has adequate liability and property damage insurance to protect the HA from any potential claims.
- 11.19.4** The Contractor shall provide that any contractual arrangement with a subcontractor shall be in conformance with the terms of this Contract including the terms of this indemnity provision. The Contractor guarantees that it will promptly handle and rectify any and all claims for materials, supplies and labor, or any other claims that may be made against it or any of its subcontractors in connection with the contract.

(b) For purposes of paragraph (b)(1)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. - (b) Disputes arising out of the labor standards provisions of paragraph 6 shall not be subject to paragraph 5(a) of this form HUD-5370C. Such disputes shall be resolved in accordance with the procedures of the U.S. Department of Labor set forth in 29 CFR Parts 5, 6 and 7. Disputes within the meaning of this paragraph 5(b) include disputes between the Contractor (or any of its subcontractors) and the HA, HUD, the U.S. Department of Labor, or the employees or their representatives.

6. Contract Work Hours and Safety Standards Act

The provisions of this paragraph 6 are applicable only where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" includes watchmen and guards.

- (a) **Overtime requirements.** No Contractor or subcontractor contracting for any part of the Contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.
- (b) **Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the provisions set forth in paragraph 6(a), the Contractor and any

subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to the District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the provisions set forth in paragraph (a) of this clause, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by provisions set forth in paragraph (a) of this clause.

(c) Withholding for unpaid wages and liquidated damages.

HUD or its designee shall upon its own action or upon written request of an authorized representative of the U.S. Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or subcontractor under any such Contract or any federal contract with the same prime Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Contractor such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or subcontractor for unpaid wages and liquidated damages as provided in the provisions set forth in paragraph (b) of this clause.

7. Subcontracts

The Contractor or subcontractor shall insert in any subcontracts all the provisions contained in this Section II and also a clause requiring the subcontractors to include these provisions in any lower tier subcontracts. The prime Contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the provisions contained in these clauses.

8. Non-Federal Prevailing Wage Rates

Any prevailing wage rate (including basic hourly rate and any fringe benefits), determined under state law to be prevailing, with respect to any employee in any trade or position employed under the Contract, is inapplicable to the contract and shall not be enforced against the Contractor or any subcontractor, with respect to employees engaged under the contract whenever such non-Federal prevailing wage rate, exclusive of any fringe benefits, exceeds the applicable wage rate determined by the Secretary of HUD to be prevailing in the locality with respect to such trade or position.

4.0 PROPOSAL EVALUATION:

- 4.1 Evaluation Factors:** The following factors will be utilized by the HA to evaluate each proposal submittal received; award of points for each listed factor will be based upon the documentation that the proposer submits within his/her proposal submittal:

[Table No. 6]

NO.	MAX POINT VALUE	FACTOR TYPE	FACTOR DESCRIPTION
1	40 points	Objective	The PROPOSED COSTS the proposer proposes to charge the HA to complete the required work.
2	10 points	Subjective (Technical)	The proposer's DEMONSTRATED UNDERSTANDING of the REQUIREMENT ;
3	10 points	Subjective (Technical)	The APPROPRIATENESS of the TECHNICAL APPROACH (including labor categories, estimated hours and skill mix) and the QUALITY of the WORK PLAN .
4	15 points	Subjective (Technical)	The proposer's TECHNICAL CAPABILITIES (in terms of personnel, equipment and materials) and the MANAGEMENT PLAN (including staffing of key positions, method of assigning work and procedures for maintaining level of service, etc.).
5	20 points	Subjective (Technical)	The proposer's DEMONSTRATED EXPERIENCE in performing similar work and the proposer's DEMONSTRATED SUCCESSFUL PAST PERFORMANCE (including meeting costs, schedules and performance requirements) of contract work substantially similar to that required by this solicitation as verified by reference checks or other means.
6	5 points	Subjective (Technical)	The OVERALL QUALITY AND PROFESSIONAL APPEARANCE OF THE PROPOSAL SUBMITTED , based upon the opinion of the evaluators.
	100 points	100 points	Total Points (other than preference points)

4.2 Evaluation Method:

- 4.2.1 Initial Evaluation for Responsiveness:** Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). The HA reserves the right to reject any proposals deemed by the HA not minimally responsive (the HA will notify such firms in writing of any such rejection).
- 4.2.2 Evaluation Packet for Proposals Deemed Responsive:** Internally, an evaluation packet will be prepared for each evaluator, including the following documents:
- 4.2.2.1** Instructions to Evaluators;
 - 4.2.2.2** Proposal Tabulation Form;
 - 4.2.2.3** Written Narrative Justification Form for each proposer;
 - 4.2.2.4** Recap of each proposer's responsiveness;
 - 4.2.2.5** Copy of all pertinent RFP documents.

- 4.2.3 Evaluation Committee:** The HA anticipates that it will select a minimum of a three-person committee to evaluate each of the responsive “hard copy” proposals submitted in response to this RFP. PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any evaluation committee member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP. As detailed within Section 3.5 of this document, the designated CO is the only person at the HA that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.
- 4.2.4 Evaluation:** The CO will evaluate and award points pertaining to Evaluation Factors No. 1 (the “Objective” Factor). The appointed evaluation committee, independent of the CO or any other person at the HA, shall evaluate the responsive proposals submitted and award points pertaining to Evaluation Factors No. 2, 3, 4, 5 and 6 (the “Subjective” Factors). Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the CO.
- 4.2.5 Potential “Competitive Range” or “Best and Finals” Negotiations:** The HA reserves the right to, as detailed within Section 7.2.N through Section 7.2.R of HUD Procurement Handbook 7460.8 REV 2, conduct a “Best and Finals” Negotiation, which may include oral interviews, with all firms deemed to be in the competitive range. Any firm deemed not to be in the competitive range shall be notified of such in writing by the HA in a timely manner as possible, but in any case within no longer than 10 days after the beginning of such negotiations with the firms deemed to be in the competitive range.
- 4.2.6 Determination of Top-ranked Proposer:** Typically, the subjective points awarded by the evaluation committee will be combined with the objective points awarded by the CO to determine the final rankings, which is typically forwarded by the CO to the ED for approval. If the evaluation was performed to the satisfaction of the ED, the final rankings may be forwarded to the Housing Authority Board of Commissioners (BOC) at a scheduled meeting for approval. Contract negotiations may, at the HA's option, be conducted prior to or after the BOC approval.
- 4.2.6.1 Ties:** In the case of a tie in points awarded, the award shall be decided as detailed within Section 6.12.C of HUD Procurement Handbook 7460.8 REV 2, by “drawing lots or other random means of selection.”
- 4.2.6.2 Minimum Evaluation Results:** To be considered to receive an award a proposer must receive a total calculated average of at least 70 points (of the 100 total possible points detailed within Section 4.1 herein).

- 4.2.7 Award Recommendation:** It is anticipated that the final rankings will be forwarded to the HA Board of Commissioners (BOC) at a regularly scheduled board meeting for approval. The HA BOC will then make its determination as to whether or not to follow the evaluation committee's recommendation. Contract price negotiations may, at the HA's option, be conducted prior to or after the BOC approval.
- 4.2.8 Notice of Results of Evaluation:** If an award is completed, all proposers will receive by e-mail a Notice of Results of Evaluation. Such notice shall inform all proposers of:
- 4.2.8.1** Which proposer received the award;
 - 4.2.8.2** Where each proposer placed in the process as a result of the evaluation of the proposals received;
 - 4.2.8.3** The cost or financial offers received from each proposer;
 - 4.2.8.4** Each proposer's right to a debriefing and to protest.
- 4.2.9 Restrictions:** All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the HA evaluation committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the HA evaluation committee.

5.0 CONTRACT AWARD:

- 5.1 Contract Award Procedure:** If a contract is awarded pursuant to this RFP, the following detailed procedures will be followed:
- 5.1.1** By completing, executing and submitting the Form of Proposal, Attachment A, the "proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFP as issued by the HA, either in hard copy or on the www.pawthousing.org website," including the contract clauses already attached as Attachments G, G-1, and G-2. Accordingly, the HA has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.
- 5.2 Contract Conditions:** The following provisions are considered mandatory conditions of any contract award made by the HA pursuant to this RFP:
- 5.2.1 Contract Form:** The HA will not execute a contract on the successful proposer's form--contracts will only be executed on the HA form (please see Sample Contract, Attachments G, G-1, and G-2), and by submitting a proposal the successful proposer agrees to do so (please note that the HA reserves the right to amend this form as the HA deems necessary). However, the HA will during the RFP process (prior to the submittal deadline) consider any contract clauses that the proposer wishes to

include therein and submits in writing a request for the HA to do so; but the failure of the HA to include such clauses does not give the successful proposer the right to refuse to execute the HA's contract form. It is the responsibility of each prospective proposer to notify the HA, in writing, prior to submitting a proposal, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The HA will consider and respond to such written correspondence, and if the prospective proposer is not willing to abide by the HA's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.

5.2.1.1 Please note that the HA has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this RFP.

5.2.2 Assignment of Personnel: The HA shall retain the right to demand and receive a change in personnel assigned to the work if the HA believes that such change is in the best interest of the HA and the completion of the contracted work.

5.2.3 Unauthorized Sub-Contracting Prohibited: The successful proposer shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the contract) without the prior written consent of the CO. Any purported assignment of interest or delegation of duty, without the prior written consent of the CO shall be void and may result in the cancellation of the contract with the HA, or may result in the full or partial forfeiture of funds paid to the successful proposer as a result of the proposed contract; either as determined by the CO.

5.3 Contract Period: The HA anticipates that it will initially award a contract for the period of 1 year with the option, at the HA's discretion, of 4 additional one-year option periods, for a maximum total of 5 years.

5.4 Licensing and Insurance Requirements: Prior to award (but not as a part of the proposal submission) the *successful proposer* will be required to provide:

5.4.1 An original certificate evidencing the proposer's current industrial (worker's compensation) insurance carrier and coverage amount;

5.4.2 An original certificate evidencing General Liability coverage, naming the HA as an additional insured, together with the appropriate endorsement to said policy reflecting the addition of the HA as an additional insured under said policy (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of \$5,000,000, together with damage to premises and fire damage of \$50,000 and medical expenses any one person of \$5,000), with a deductible of not greater than \$1,000;

5.4.3 An original certificate showing the proposer's professional liability and/or "errors and omissions" coverage (minimum of \$1,000,000 each occurrence,

general aggregate minimum limit of \$5,000,000), with a deductible of not greater than \$1,000;

- 5.4.4 An original certificate showing the proposer's automobile insurance coverage in a combined single limit of \$1,000,000. For every vehicle utilized during the term of this program, when not owned by the entity, each vehicle must have evidence of automobile insurance coverage with limits of no less than \$50,000/\$100,000 and medical pay of \$5,000.
 - 5.4.5 A copy of the proposer's business license allowing that entity to provide such services within the State of Rhode Island;
 - 5.4.6 If applicable, a copy of the proposer's license issued by the State of Rhode Island licensing authority allowing the proposer to provide the services detailed herein.
 - 5.4.7 The requested related information shall also be entered where provided for on the Profile of Firm Form (DO NOT ATTACH SUBMIT COPIES WITHIN THE PROPOSAL SUBMITTAL--we will garner the necessary certificates from the successful proposer prior to contract execution).
- 5.5 **Right To Negotiate Final Fees:** The HA shall retain the right to negotiate the amount of fees that are paid to the successful proposer, meaning the fees proposed by the top-rated proposer may, at the HA's options, be the basis for the beginning of negotiations. Such negotiations shall begin after the HA has chosen a top-rated proposer. If such negotiations are not, in the opinion of the CO successfully concluded within 5 business days, the HA shall retain the right to end such negotiations and begin negotiations with the next-rated proposer. The HA shall also retain the right to negotiate with and make an award to more than one proposer, as long as such negotiation(s) and/or award(s) are addressed in the above manner (i.e. top-rated first, then next-rated following until a successful negotiation is reached).
- 5.6 **Contract Service Standards:** All work performed pursuant to this RFP must conform and comply with all applicable local, state and federal codes, statutes, laws and regulations.
