INTERNAL PROCEDURES, INSTRUCTIONS, AND FORMS

This packet is designed to comply with the New HUD Section 3 Final Rule issued September 29, 2020, and became effective November 30, 2020. Therefore, these documents and instructions are related to the “Hours Worked Benchmarks” as called for in the 24 CFR Part 75 regulation. Every contractor and sub-contractor (with the exception of professional services) are required to work toward meeting the prescribed benchmarks as indicated on the bottom of page 10 of this packet. There are no specific hiring or contracting goals under this new rule.

Most importantly, the rule does not require the hiring or contracting of any person or business that is not fully qualified to perform the work as would be charged. However, the rule makes clear that HUD is intent on ensuring Section 3 persons employed under the new rule receive measurable and sustainable employment. Therefore, Section 3 employees can be counted for up to five full years from the date of certification or hire respectively. HUD is expected to issue continued guidance on the new rule in the future so these documents may change in accordance with the rule.

If you should have any questions on this packet, please contact our Compliance Consultant:

SECTION 3 BACKGROUND

Applicable to all expenditures and agreements regardless of the dollar amount

Background - Section 3 of the Housing and Urban Development Act of 1968 (Public Law 90-448, approved August 1, 1968) (Section 3) was enacted to bring economic opportunities generated by certain HUD financial assistance expenditures, to the greatest extent feasible, to low- and very low-income persons residing in communities where the financial assistance is expended. Section 3 recognizes that HUD funds are often one of the largest sources of Federal funds expended in low- and very low-income communities and, where such funds are spent on activities such as construction and rehabilitation of housing and other public facilities, the expenditure results in economic opportunities. By directing HUD-funded economic opportunities to residents and businesses in the community where the funds are expended, the expenditure can have the dual benefit of creating new or rehabilitated housing and other facilities while providing opportunities for employment and training for the residents of these communities.

The Section 3 statute establishes priorities for employment and contracting for public housing programs and for other programs that provide housing and community development assistance. For example, the prioritization as it relates to public housing assistance places an emphasis on public housing residents, in contrast to the prioritization as it relates to housing and community development assistance, which places more emphasis on residents of the neighborhood or service area in which the investment is being made.

INTERNAL PROCEDURES FOR IMPLEMENTATION OF THE RULE

The Housing Authority of the City of Pawtucket Internal Hiring Procedure

For all positions at the authority, the human resources staff will include the Section 3 Individual Low-Income Person Self Certification form with the applications (virtually and paper) allowing each applicant to identify themselves accordingly. The completion of the form will remain voluntary and at the applicants discretion.

Once all applications have been received and reviewed, the most desirous and qualified candidate will be progressed through the hiring process. The Section 3 status of the applicant will be considered only after the "Most Qualified" candidate has been determined.

If there are multiple and equally qualified persons, the Section 3 status and category of the applicant will be considered. The candidate with the highest Section 3 priority based on the 24CFR Part 75.9(a)(2) will be offered the position.

If there are multiple and equally qualified businesses, the Section 3 status and category of the business will be considered. The business with the highest Section 3 priority, based on the 24CFR Part 75.9 (b)(2) will be awarded the contract. All other applicable procurement laws will be adhered to relative to contracting amounts. All advertisements for contracts with the authority will carry this wording:

Benchmarks

For Public Housing Financial Assistance, the proposed benchmark notification set the benchmarks for the recipient's fiscal year. The proposed benchmark notification provided that recipients would meet the safe harbor in the new § 75.13 by certifying to the prioritization of effort in the new § 75.9 and meeting or exceeding Section 3 benchmarks for total number of labor hours worked by Section 3 workers and by Targeted Section 3 workers. The benchmark for Section 3 workers was set at 20 percent or more of the total number of labor hours worked by all workers paid with public housing financial assistance. The benchmark for Targeted Section 3 workers was set at 5 percent or more of the total number of labor hours worked by all workers paid with public housing financial assistance.

Simply stated, the recipient needs to meet these two benchmarks annually in order to achieve Safe Harbor.

Section 3 Workers Labor Hours = 20%
Total Labor Hours for the Recipient

Section 3 Targeted Workers Labor Hours = 5%
Total Labor Hours for the Recipient

Note: Motivation, Inc. is the Section 3 Consultant for The Housing Authority of the City of Pawtucket and will be launching an electronic method for contractors and the agency to enter their monthly Hours Worked data into their proprietary cloud-based Section 3 Compliance software. That system will mirror the information contained in the Contract Compliance Forms Package with the contractor or agency uploading any new Section 3 self-certification forms directly into the system for review and confirmation by Motivation, Inc. staff. This system is expected to go live on April 1, 2022, but will be tested prior to the live tested with real data from the client and its contractors.

SECTION 3 NEW RULE

24 CFR Part 75

On November 30, 2020, HUD put into effect a New and Final Section 3 Rule for all recipients. This rule is drastically different from the old rule and therefore, we want everyone to know these requirements and plan accordingly.

Every contractor must ensure this package is included in their sub-contracts. Every sub-contractor must include this package in their lower-tiered sub-contracts.

This new rule exempts all material and supply only agreements. The rule applies to all service related contracts/agreements despite the dollar amount or project duration, except CPA's, Attorneys, Engineers, and Architects.

You should not issue the Individual or Business Self-Certification form(s) until you have secured a qualified contractor or employee respectively. **DO NOT** hand the individual self-certification form to every employee as it may be a waste of time if they were not hired within the past five years and were low-income, public housing, or Section 8 at the time of hire.

Documents included in this package:
